### Day One: Friday June 1 – the Niagara Peninsula

#### JOURNEY BEHIND THE FALLS

To stand at the heart of Niagara, you'll first need to descend 125 feet and explore 130-year-old tunnels through the bedrock, but you'll feel the thunderous vibration of the Horseshoe Falls long before you see them. The observation deck at the foot of this 13-storey-tall wonder will leave you breathless (and maybe a little bit wet), but don't forget the viewing portals cut straight through the rock, offering a once-in-a-lifetime view of one-fifth of the world's fresh water crashing down in front of you.

#### NIAGARA-ON-THE-LAKE –

There's something about this town that makes you want to linger. For generations, locals have called it the "Niagara-on-the-Lake Effect," and although it's hard to describe, you'll feel it when you first set foot onto its historic streets. Soak in the Victorian-Era Charm for lunch time and explore the Shops in this historic district.

**WINERY TOURS** – on the return home stop by two wineries for some tour and tasting.

### Day Two Saturday June 2 – A Flavour of Hamilton
